Dear Estevan,

I'm preparing a story on the 17-0 HHWNC vote to terminate the FORC MOU. I have two questions for Councilmember Ryu.

1. Does the Councilmember believe the Neighborhood Council system worked properly in this case?
2. Why is the Councilmember opposing the will of his constituents, who want the FORC MOU terminated? What does he know that the HHWNC does not know?

sincerely,
[Michael](#)
